## **Office Solutions Announces Chris Mellgren as New Vice President of Sales**

---

**Yorba Linda, Calif. (May 22, 2014)** – Office Solutions, an Orange County based commercial office supplier, announced that **Chris Mellgren** has joined the company as Vice President of Sales. He is based out of the corporate facility located in Yorba Linda, California, and will report to Office Solutions President, Bob Mairena.

“We are very excited to have Chris aboard, as the current industry and economic climate create a great deal of opportunity,” said Mairena. “His considerable experience and extensive knowledge within the industry is a welcomed complement to our organization. His addition enables us to further grow our business and help lead our efforts for continued success.”

Chris is a 30 year veteran of the office products industry. He started his career with Office Products Company Inc. and later moved on to Eastman as a top performing Account Executive. Most recently with Office Depot, Mellgren’s roles and responsibilities included; Global Business Development Manager, Regional Manager Business Development, with his latest role as Director of Enterprise Business Development, West Region.

Office Solutions, the largest independent commercial office supplier in Southern California, services national corporate accounts throughout the United States with next-day service along with offering the most advanced procurement systems in the industry. It is continually recognized in the Orange County Business Journal as one of the top Orange County women-owned businesses as well as being in the top Orange County minority-owned businesses. The company has also been acknowledged for encouraging employees to share their time and resources with local charities such as Festival of Children, City of Hope, St. Joseph Ballet and numerous other local organizations. Office Solutions is committed to being a proponent of the environment and contributing to local communities as a responsible corporate citizen.
