Costa Mesa, Calif (July 13, 2012) – Office Solutions, one of the largest independent and sustainable office suppliers in the country, has announced a collaboration with Festival of Children Foundation, a non-profit organization based in Costa Mesa, California that serves children's charities.

On Monday, July 16th Office Solutions will launch the "Do-Good" Paper Promotion. For each carton of copy paper sold now through December 2012, Office Solutions will donate \$0.50 to Festival of Children Foundation. The promotion is expected to raise \$25,000 for Festival of Children Foundation, based on past Office Solutions' sales reports. Office Solutions' sales representatives and delivery drivers will be offering this special promotion to their customers in Orange, Los Angeles, San Bernardino, Riverside, Ventura and Santa Barbara counties.

"This is the first time we have entered into this type of partnership, and we're looking forward to writing a substantial check to Festival of Children Foundation with the success of this program. It gives our customers an opportunity to participate and feel good about their purchases when knowing that their patronage supports children in need in our own communities," said Bob Mairena, President of Office Solutions.

Monies raised will help Festival of Children Foundation continue to offer free programs and support to over 200 children's charities that the organization currently serves in Southern California.
